

# 5th National Laser & Cosmetic Medicine Conference

12 - 13 SEPTEMBER 2009 | SHERATON ON THE PARK HOTEL | SYDNEY

## First Announcement & Call for Abstracts

This year, Sydney will host the 5th Annual National Laser and Cosmetic Medicine Conference. Since our first

Platinum Sponsor

meeting, LCMC has developed a reputation for delivering an outstanding academic program. The 2009 program focuses on non surgical cosmetic procedures and targets physicians, general practitioners and surgeons.

### Keynote Speaker | Dr Mitchel Goldman

Dr Goldman, a prodigious medical researcher, has published over 250 scientific papers and textbook chapters and 18 medical textbooks. He is a Clinical Professor in Medicine and Dermatology at the University of California, San Diego, and a recent recipient of the American Academy of Cosmetic Surgery's 21st Century Achievement Award.

### Topics to be covered include

- Dermal Fillers / Botulinum toxin: New products & techniques
- Advances in fractionated laser technology
- Sclerotherapy and microsclerotherapy for leg veins
- Common cosmetic dilemmas
- Pigmentation - types and new treatments
- Laser assisted lipolysis
- Radiofrequency facial rejuvenation
- New advances in temporary & semi-permanent dermal fillers
- Non surgical cheek augmentation
- Non surgical facelift thread
- Chemical peels
- Laser safety issues
- Update on photodynamic therapy
