THREADS

Advanced Surgical Technologies are looking for expressions of interest from those doctors that would like to take part in a hands on thread lifting workshop.

WE will be running the workshop on surgical techniques for the insertion of DOUBLE NEEDLE and BI-DIRECTIONAL threads. Our training Dr has trained with Italian Surgeon Dr Ciro Accardo, world-famous for developing and improving surgical techniques in the insertion of threads for facial lifting and contouring.

We would welcome the offer of clinical premises in which to hold this workshop and suitable dates.

If you are interested in taking part, please contact Danielle Raballo on [danielle@astoz.com](mailto:danielle@astoz.com) or 02 9460 9900
