

ANNOUNCEMENT OF  
COSMETIC MEDICINE EXAMINATIONS

MONDAY 20<sup>th</sup> September 2010

The Australasian College of Aesthetic Medicine announces that it will offer examinations in Cosmetic Medicine for cosmetic physicians and those related specialities in conjunction with the Laser and Cosmetic Medicine Conference.

The examination consists of three parts:

1. LOGBOOK OF 100 CASES
2. WRITTEN EXAMINATION

MCQ Paper – this paper consists of 100 multiple-choice questions (5 parts each- total of 500 questions) over a 2-hour period in true/false format. There are no negative markings in the multiple choice question paper. This examination will cover a range of topics including but not limited to topical agents for the ageing face, non surgical facial rejuvenation, chemical peels, vascular and pigmented lasers, laser resurfacing, Botulinum Toxin, dermal fillers, hirsutism and laser hair removal.

3. VIVA EXAMINATIONS

The viva examinations are conducted approximately 4 weeks following the written Exam. Only candidates who have successfully passed the written exam are invited to sit for the Viva exams. This will involve a 60-minute oral examination.
